

# Appointment of Non-Executive Director with Deep Experience of the Biotechnology Industry and Capital Markets

18 May 2020

**Alderley Park, 18 May 2020** Redx Pharma (AIM:REDX), the drug discovery and development company focused on cancer and fibrosis, is pleased to announce the appointment of Sarah Gordon Wild as an Independent non-Executive Director, with effect from 1 July 2020. Sarah brings extensive investment experience in the biotechnology sector to her role at Redx. She currently also serves as a Non-Executive Director of Oxford Nanopore Technologies and Evox Therapeutics, as well as being a Board Member of Lone Pine Capital LLC's Offshore Funds.

Between 1998-2003 Sarah was Managing Director, Management Committee Member and Senior Healthcare Analyst at Lone Pine Capital LLC. Before this, for over 15 years, Sarah was a senior biotechnology/healthcare analyst on Wall Street at firms including; Amerindo Investments Advisors, Hambrecht & Quist, Kleinwort Greaveson, and Greig Middleton. She graduated from Aberdeen University with a BSc (Hons) in Zoology and with an MSc from Imperial College, London in Social & Economic Aspects of Science and Technology in Industry.

Iain Ross, Chairman of the Board of Redx commented: "We are delighted to welcome Sarah to the Board. I am confident that Redx will benefit from her counsel and deep understanding of the biotechnology sector and capital markets as we seek to build a leading biotech company focused on novel medicines that have the potential to transform the treatment of oncology and fibrosis."

Sarah Gordon Wild commented: "I am excited to be joining the Board as a non-executive director. Over a relatively short space of time, Redx has established a strong track record as a medicinal chemistry team and now has focused on a few very exciting programmes, as well as a strong management team. I look forward to seeing this pipeline progress in my Board role."
