

# Redx to present at 2019 Biotech Showcase event in San Francisco

03 Jan 2019

Alderley Park, 3 January 2019 Redx (AIM: REDX), the drug discovery and development company focused on cancer and fibrosis, announces that Lisa Anson, Chief Executive Officer and Dr Andrew Saunders, Chief Medical Officer will be presenting at Biotech Showcase in San Francisco, which runs from 7 – 9 January 2019. Lisa Anson joined Redx from a senior role at AstraZeneca in mid-2018 with a remit to relaunch the Company. This will be the first time that she will present the Company in the US as Redx's CEO. Andrew Saunders will provide an update on the Company's clinical Oncology programme. The team will also be joined by Dr. Peter Bunyard, Head of Fibrosis, following the announcement of the Company's first fibrosis development candidate, RXC006, in November 2018.

Redx's presentation will take place at 3pm PST on Tuesday 8 January 2019 at the Hilton, Union Square in San Francisco, California, Track: Yosemite A (Ballroom Level).

Lisa Anson, Chief Executive Officer, Redx Pharma plc commented: "I am delighted that Redx has been asked to present at the Biotech Showcase event in January. The event is a great opportunity to share with potential US investors and partners how far we have progressed in 2018 and our forthcoming milestones and plans for 2019."
