NOTES:

1. The following notes explain your general rights as a shareholder and your rights to attend and vote at the Annual General Meeting or to appoint someone else to vote at the Annual General Meeting on your behalf.
2. At the time of publication of this notice, it is anticipated that the Annual General Meeting will proceed as an open meeting at which shareholders can attend in person. However, given the ongoing uncertainty and bearing in mind broader public health considerations and the safety of others, the Company's board of directors will continue to monitor Government guidance and regulation in advance of the Annual General Meeting. Given the constantly evolving nature of the situation, we want to ensure that we are able to adapt the arrangements for the Annual General Meeting efficiently to respond to changes in circumstances. Any changes to the arrangements for the holding of the Annual General Meeting will be communicated to shareholders in advance through the regulatory news service and via the Company's website at www.redxpharma.com. If you are planning to attend the meeting in person, please make sure you visit the website www.redxpharma.com to make sure there is no notice of change before you attend. Given the degree of uncertainty about the current situation, we strongly encourage shareholders to submit a proxy vote in advance of the meeting, appointing the Chair of the Meeting as their proxy. Forms of proxy should be submitted as soon as possible and in any event so as to be received no later than 11.00 a.m. on 4 March 2022.
3. A member entitled to attend and vote at this meeting is entitled to appoint another person as his or her proxy to exercise all or any of his or her rights to attend, to speak and, both on a show of hands and on a poll, to vote in his or her stead at the meeting. A proxy need not be a member of the Company. The appointment of a proxy does not preclude a member from attending and voting in person at the meeting should he or she subsequently decide to do so. A form of proxy which may be used to make such appointment and give proxy instructions is enclosed. If you wish your proxy to speak at the meeting, you should appoint a proxy other than the chair of the meeting and give your instructions to that proxy.
4. A member may appoint more than one proxy in relation to a meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by him or her. To be valid, a form of proxy together with, if applicable, the power of attorney or other authority under which it is signed, or a certified copy thereof, must be received by Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA not later than 11.00 a.m. on 4 March 2022.
5. An abstention (or "vote withheld") option has been included on the form of proxy. The legal effect of choosing the abstention option on any resolution is that the shareholder concerned will be treated as not having voted on the relevant resolution. The number of votes in respect of which there are abstentions will however be counted and recorded, but disregarded in calculating the number of votes for or against each resolution.
6. Any person to whom this notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the Annual General Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
7. The statement of rights of shareholders in relation to the appointment of proxies in paragraphs 3 and 4 above does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of the Company.
8. The Company, pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, specifies that only those shareholders registered in the register of members of the Company as at 6.30 p.m. on 4 March 2022 shall be entitled to attend or vote (whether on a show of hands or on a poll) at the meeting in respect of the number of shares registered in their name at the time. Changes to entries on the register after 6.30 p.m. on 4 March 2022 (or after 6.30 p.m. on the day which is two days before any adjourned meeting, excluding non-working days) shall be disregarded in determining the rights of any person to attend or vote at the meeting.
9. As at 10 March 2022 (being the last business day prior to the date of this notice) the Company's issued share capital consisted of 275,282,205 ordinary shares each carrying one vote per share. Accordingly, the total number of voting rights in the Company as at 10 March 2022 were 275,282,205.
10. Completion and return of a form of proxy will not affect the right of such member to attend and vote in person at the meeting or any adjournment thereof.
11. Any corporation which is a member can appoint one or more corporate representatives. Each representative may exercise on behalf of the corporation the same powers as the corporation could exercise if it were an individual member of the Company provided that they do not do so in relation to the same ordinary shares. It is therefore no longer necessary to nominate a designated corporate representative.
12. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual, which can be viewed at www.euroclear.com. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by the latest time(s) for receipt of proxy appointments specified in the Notice of Annual General Meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

13. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
14. A copy of this notice of meeting is available on the Company's website at www.redxpharma.com.
15. Shareholders, proxies and authorised representatives will be required to provide their names and addresses for verification against the register of members and proxy appointments received by the Company before entering the meeting. Each authorised representative must produce proof of his or her appointment, in the form of the actual appointment or a certified copy. Other than this, there are no procedures with which any such persons must comply in order to attend and vote at the meeting.
16. Shareholders, proxies and authorised representatives may raise questions at the meeting concerning any business being dealt with at the meeting and will receive answers, except that a question need not be answered where it would interfere unduly with the conduct of the meeting, would involve the disclosure of confidential information, where the answer has already been given on a website in the form of an answer to a question or where it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

EXPLANATORY NOTES:

Resolution 9 – Directors' power to allot relevant securities

Under section 551 of the Act, relevant securities may only be issued with the consent of the shareholders, unless the shareholders pass a resolution generally authorising the directors to issue shares without further reference to the shareholders. This resolution authorises the general issue of shares up to an aggregate nominal value of £917,607 as well as an issue up to an aggregate nominal value of £917,607 in connection with an offer by way of a rights issue, which (in each case) is equal to one third of the nominal value of the current ordinary share capital of the Company. This is in line with The Investment Association (previously the Association of British Insurers' or "ABI") ("IA") Guidelines, which permits the directors to allot an additional one third of the Company's issued share capital provided such shares are reserved for a fully pre-emptive rights issue. Such authority will expire at the conclusion of the next annual general meeting of the Company or at the close of business on the date which is 15 months after the date of the passing of this resolution (whichever is the earlier).

Resolution 10 – General disapplication of pre-emption rights on equity issues for cash

Section 561 of the Act requires that a company issuing shares for cash must first offer them to existing shareholders following a statutory procedure which, in the case of a rights issue, may prove to be both costly and cumbersome. This resolution excludes that statutory procedure as far as rights issues are concerned. It also enables the directors to allot shares on a non-pre-emptive basis up to an aggregate nominal value of £275,282 which is equal to approximately 10 per cent. of the nominal value of the current ordinary share capital of the Company, subject to resolution 9 being passed. The directors believe that the limited powers provided by this resolution will maintain a desirable degree of flexibility. Unless previously revoked or varied, the disapplication will expire on the conclusion of the next annual general meeting of the Company or at the close of business on the date which is 15 months after the date of the passing of this resolution (whichever is the earlier).
